Program Objectives: To provide a nationwide support system for the prevention, investigation, and prosecution of economic crime. The National White Collar Crime Center (NWCCC) links criminal justice agencies across jurisdictional borders and bridges the gap between local and state criminal justice agency economic crime-fighting capabilities and the minimum threshold for federal investigation and intervention.

Eligible Applicants: State and local law enforcement authorities.

<b>Police Corps</b>
---------------------

CFDA Number: 16.712

Authorizing Statute/Appropriation: Violent Crime Control and Law Enforcement Act, Public Law 103-322, as amended, (42 U.S.C. § 14091 et seq.).

Program Objectives: To address violent crime by increasing the number of police with advanced education assigned to community patrol in areas of great need, and to provide educational assistance to students who possess a sincere interest in public service through law enforcement.

Eligible Applicants: (a) States: All States are eligible to submit a State plan. (b) State and local police forces: Law enforcement agencies within participating States are eligible to hire Police Corps participants. No participant may be assigned to serve with a local force whose size has declined by more than 5 percent since June 21, 1989, or which has members who have been laid off but not rehired. (c) Participants: Participants must be citizens of the United States or aliens lawfully admitted for permanent residence, possess the necessary mental and physical capabilities and moral characteristics to be an effective police officer, be of good character, meet the standards of the police force with which they will serve, and demonstrate sincere motivation and dedication to law enforcement and public service. Applicants are selected on a competitive basis. (d) Assistance to dependents of officers killed in the line of duty: Eligible dependents must be a natural or adopted child or stepchild of a law enforcement officer who served in a State that participates in the Police Corps and who was slain after the State had an approved Police Corps State plan.

Note: Last funded in FY 2005.

<b>Prisoner Reentry Initiative Demonstration (Offender Reentry)</b>
---

CFDA Number: 16.202

Authorizing Statute/Appropriation: Omnibus Crime Control and Safe Streets Act of 1968, Public Law 90-351, as amended, (42 U.S.C. § 3797w).

Program Objectives: The Offender Reentry Initiative is a combined federal effort to assist jurisdictions in facing the challenges presented by the return of offenders from prison to the community. The goal is to support the effective delivery of pre-release assessments and services, and to develop transition plans in collaboration with other justice and community-based agencies and providers, for supervised and non-supervised non-violent offenders.

Eligible Applicants: The applicant must establish a multidisciplinary collaborative partnership, which includes members of faith-based and/or community organizations; e.g., State and local corrections agencies, the State and local mental health and substance abuse agencies, and the State and local Workforce Investment Boards (WIB). The lead agency and/or fiscal agent must

be a State or tribal agency's unit of government. Federally Recognized Indian Tribes must establish a partnership that includes (but is not limited to) entities or agencies that address corrections, criminal justice, law enforcement, employment services, substance abuse, and mental health. Tribes may involve State level agencies as their key partners, although this is not a requirement. Eligibility is limited to jurisdictions in which grants were awarded to community- and faith-based organizations through the U.S. Department of Labor's FY 2005 Prisoner Reentry Initiative (See [www.dol.gov/opa/media/press/eta/eta20052123list.htm](http://www.dol.gov/opa/media/press/eta/eta20052123list.htm)).

Authorizing Statute/Appropriation: Public Safety Officers' Benefits Act of 1976, as amended (42 U.S.C. § 3796).

Program Objectives: To provide a death benefit to the eligible survivors of Federal, State or local public safety officers whose death is the direct and proximate result of a personal (traumatic) injury sustained in the line of duty. The Act also provides a benefit to a public safety officer who has been permanently and totally disabled as the direct result of a catastrophic personal injury sustained in the line of duty. The injury must permanently prevent the officer from performing any gainful work.

Eligible Applicants: Disabled public safety officers and eligible survivors of deceased public safety officers.

<b>Public Safety Officers' Educational Assistance</b>
---

CFDA Number: 16.615

Authorizing Statute/Appropriation: Educational Assistance to Dependents of Civilian Federal Law Enforcement Officers Killed or Disabled in the Line of Duty, (42 U.S.C. § 3796d).

Program Objectives: To provide financial assistance for higher education to the spouses and children of public safety officers killed in line of duty or permanently and totally disabled by catastrophic injuries sustained in the line of duty.

Eligible Applicants: Dependents who 1) attend a program of education at an eligible institution; or 2) are the spouse and/or surviving children under the age of 27 of Federal, state and local public safety officers, whose deaths or permanent and totally disabling injuries are covered by the Public Safety Officers' Benefits (PSOB) Program (42 U.S.C. 3796 et seq.).

<b>Regional Information Sharing System</b>
--

CFDA Number: 16.610

Authorizing Statute/Appropriation: Omnibus Crime Control and Safe Streets Act of 1968, Public Law 90-351, as amended, (42 U.S.C. §3796h).

Program Objectives: To enhance the ability of the state and local criminal justice agencies to identify, target, and remove criminal conspiracies and activities that span jurisdictional boundaries. The first objective of the Regional Information Sharing Systems Program (RISS) is to encourage and facilitate the rapid exchange and sharing of information among federal, state, and local law enforcement agencies pertaining to known or suspected terrorist, or criminal activity. The second objective is to enhance coordination and communication among agencies that are in pursuit of criminal conspiracies determined to be interjurisdictional in nature. In addition, the RISS Program may provide technical and financial resources to member agencies, such as specialized equipment, training, and investigative funds, to augment existing multijurisdictional enforcement resources and operations.

Eligible Applicants: Six RISS projects are eligible to receive funding to provide services to law enforcement agencies throughout the nation. The projects are: The Middle Atlantic Great-Lakes Organized Crime Law Enforcement Center (MAGLOCLLEN), the Mid- States Organized Crime Information Center (MOCIC), the New England State Police Information Network (NESPIN), the Regional Organized Crime Information Center (ROCIC), the Rocky Mountain Information Network (RMIN), and the Western States Information Network (WSIN).

Note: Resources may be available to States, units of local government, and tribal governments through the regional centers.

------------------------------------

CFDA Number: 16.613

Authorizing Statute/Appropriation: Violent Crime Control and Law Enforcement Act of 1994, Public Law 103-322 § 250005 (3).

Program Objectives: To reduce the incidence of telemarketing scams perpetrated against the elderly through training and technical assistance programs, demonstration sites, public awareness initiatives, and reporting of fraud.

Eligible Applicants: Public and private nonprofit organizations providing National-scope training and technical assistance to state and local law enforcement and prosecution.

Note: Last funded in FY 2005

<b>Sex Offender Management Discretionary Grant</b>
--

CFDA Number: 16.203

Authorizing Statute/Appropriation: Violent Crime Control and Law Enforcement Act of 1994, Public Law 103-322, as amended, (42 U.S.C. § 13941).

Program Objectives: To encourage State and local jurisdictions to focus on the effective management of juvenile and adult sex offenders by engaging key stakeholders in a process that will build a base of knowledge regarding the practices currently employed by the jurisdiction, and develop and implement management strategies for these offenders that span the sanctioning continuum and specifically to ensure that jurisdictions include, as a critical part of their comprehensive approach, a well defined re-entry component for sex offenders being released from incarceration.

Eligible Applicants: States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, Guam, the Northern Mariana Islands, local, and tribal communities who are interested in addressing the management of juvenile, adult, or a mixed population of sex offenders across the sanctioning continuum, are eligible to apply for this grant program. Applicants in varying stages of developing sex offender management strategies are eligible to apply. Applicants must coordinate their proposal with others in their jurisdiction to ensure a collaborative response to this solicitation as well as to ensure that agencies within a single jurisdiction are not competing against one another in the grant process. The applicant must be a State, local, or tribal unit of government who agrees to serve as the grantee and single point of contact for grant administration and coordination.

<b>State Criminal Alien Assistance Program</b>
--

CFDA Number: 16.606

Authorizing Statute/Appropriation: Immigration and Nationality Act, as amended, (8 U.S.C. § 1231(i)); Violent Crime Control and Law Enforcement Act of 1994, Public Law 103-322, as amended, (8 U.S.C. § 1252); Omnibus Appropriations Act, Public Law 106-113, Division B, Section 1000(a).

Program Objectives: The State Criminal Alien Assistance Program (SCAAP) is a reimbursement program designed to provide federal assistance to states and localities that incur costs for incarcerating undocumented criminal aliens who are being held as a result of state and/or local charges or convictions. BJA administers this program in conjunction with the Bureau of Immigration and Customs Enforcement (ICE), and the Department of Homeland Security (DHS).

Eligible Applicants: States, the District of Columbia, Puerto Rico, Guam, the Virgin Islands and localities or local jurisdictions exercising authority with respect to the incarceration of an undocumented criminal alien. Authorizing Statute/Appropriation: Omnibus Crime Control and Safe Streets Act of 1968, Public Law 90-351, as amended, (42 U.S.C. § 3721 et seq.).

Program Objectives: To improve the quality and quantity of knowledge about crime and the criminal justice system, while, at the same time, helping to increase the number of persons who are qualified to teach in collegiate criminal justice programs, to conduct research related to criminal justice issues, and to perform more effectively within the criminal justice system.

Eligible Applicants: Accredited institutions of higher education offering a doctoral degree program. Degree does not have to be in criminal justice, but proposed dissertation work must be related to criminal justice issues.

<b>Forensic Casework DNA Backlog Reduction Program</b>
--

CFDA Number: 16.743

Authorizing Statute/Appropriation: Department of Justice Appropriations Act, 2005, Public Law 108-447, 118 Stat. 2809, 2853, 2865.

Program Objectives: To provide formula funding to State and units of local governments with existing crime laboratories that conduct DNA analysis. Funds are to be used to identify and test backlogged forensic DNA casework samples as well as post conviction DNA testing.

Eligible Applicants: Eligible applicants must be existing State and units of local governments with existing crime laboratories that conduct DNA analysis to identify and test backlogged forensic DNA casework samples, whether in government-owned laboratories or through accredited fee-for-service vendors. Applicants must certify that the DNA analysis laboratory is accredited by a nonprofit professional association actively involved in forensic science and nationally recognized within the forensic science community such as the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB) or the Forensic Quality Services (FQS), etc.

<b>Forensic DNA Enhancement Program</b>
---

CFDA Number: 16.741

Authorizing Statute/Appropriation: Department of Justice Appropriations Act, 2005, Public Law 108-447, 118 Stat. 2809, 2853, 2865.

Program Objectives: To improve the infrastructure and analysis capacity of existing crime laboratories that conduct DNA analysis, so they can process DNA samples efficiently and cost-effectively. These improvements are critical to preventing future DNA backlogs, and to helping the criminal justice system utilize the full potential of DNA technology.

Eligible Applicants: Eligible applicants are State and units of local government with existing crime laboratories conducting DNA analysis that are either: (1) Accredited by a nonprofit professional association actively involved in forensic science that is nationally recognized within the forensic science community such as the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB) or the Forensic Quality Services (FQS), etc., or (2) Undergo external audits, not less than once every 2 years, that demonstrate

compliance with DNA Quality Assurance Standards established by the Director of the Federal Bureau of Investigation.
